

Welcome!

Dear Friends,

Thank you so much for your interest in sponsoring a family or senior this Christmas. Whether it's your first time partnering with us, or you are a returning sponsor, we are excited that you're here!

The Christmas Bureau's Sponsor-a-Family program aims to alleviate the stress and worry that many of our families and seniors experience around the Christmas season. Those that access our Food Bank year round rarely have excess to put towards gifts and extra food items that are nice to have around this time of year.

As a Christmas Bureau, we are committed to providing each family and senior a food hamper, Christmas dinner items and gifts for all family members. Because we serve 600+ families and 100+ seniors every season, we cannot do this on our own! Having people like you partner with us is essential in ensuring that we can help everyone in need this Christmas.

If you decide to sponsor a family or senior this year, ***please read through our Sponsor Procedures, FAQ, and appropriate Shopping List forms.*** This will ensure that the minimum requirements are provided. These forms can be found in your sponsor package or on our website.

Our matching process begins in early October and continues all the way until mid December. We appreciate your patience while we work to match you with a qualified family or senior.

Your Christmas Bureau coordinators,

Laura Balzer & Sarah Quiring
